Chairman's Report

The 2025 season has again been another successful year for the SS&A Ovens & Murray Football and Netball League. The Home & Away season was again close and competitive, which provided tremendous interest and engagement across the Region. The quality of football and netball was again outstanding, ensuring the League continues to be one of the best in Regional Australia.

We started the year with a Wangaratta derby Season Opener, and we finished with a Wangaratta Derby Grand Final. It's been almost half a century since these two clubs met in a Grand Final, with Wangaratta Rovers turning the tables on the 1976 result, winning their 2nd consecutive. Congratulations to all involved on a well-deserved victory after leading the competition for most of the Home & Away season.

One of the highlights of the season was on the Netball court with Wodonga Raiders winning their first Premiership at the 'A' Grade level. It was their 3rd attempt, and they had to take down perennial powerhouse Yarrawonga to get the chocolates. Yarrawonga, on the other hand, were looking for its 11th Premiership after qualifying for its 18th Grand Final. A stunning record in a competition that's only been in existence since 1993.

By any measure, it's been a wonderful year, and we need to acknowledge and thank all our hardworking club administrators and volunteers. It's often a thankless task, but your contribution is the foundation on which our competition stands. Coaches, players, trainers, and administrators – thank you for everything you do, week in and week out.

The O&M Board are invested in Interleague Football and Netball and felt that it needed a change up and, to that, accepted an invitation to play the Bendigo FNL in 2026. We will travel to the picturesque QE2 Oval in the heart of Bendigo on May 23 next year to take on a League we've not played for almost 30 years.

To the Board of the Ovens & Murray FNL, I extend my personal thanks: Deputy Chair David Morris, Jamie Ramage, Brett Anderson, David Kefford, Gavin Cator, Des Lonergan, Alison Butler and Tamara Mathews. The League is fortunate to have such a strong, experienced, and passionate group striving to make the O&M the best and most successful competition in the state.

This year, board member Dave Kefford decided not to stand for re-election after 16 years of service on the O&M Board. This, together with an earlier stint on the Board and 23 years of service to Albury Tigers FNC as Treasurer, Secretary and President, has seen Keff involved at the Executive level for over 40 years. His service to Community Football and Netball has been an incredible journey of service and sacrifice, and we can't thank Keff enough for what he's contributed to the O&M. Congratulations and thank you, Keff, for all you've done and achieved for this great League.

I'd like to pass on my heartfelt thanks to the League staff, General Manager Kane Arendarcikas and Operations Manager Michael Bocquet. Also, many thanks to Steve Tervett, who has written the Critic column each week and produced video content that showcases the great talent in our league and keeps the community engaged. These guys do an outstanding job, sometimes under enormous pressure, in the day-to-day running of the competition and ensure we remain one of the best in Regional Australia.

In July, we again saw another wonderful Hall of Fame Dinner, which continues to be the preeminent football function of its kind across regional sport. My thanks go to Hall of Fame Chairman Ron Montgomery and his committee for executing another outstanding event. Congratulations to Fiona Boyer, Terry Burgess, Daniel Maher, Des Richardson and Jim Mathews on their induction and to the late Steve Norman on his elevation to Legend status.

It's again been a challenging year for umpire numbers across both Football and Netball, and I'd like to thank both Peter Andriske and Chrissy Boehm for their contribution in ensuring that we had umpires each weekend.

As well, we thank our local councils and municipalities for all their support and assistance, and I would particularly like to mention Albury City for their efforts in ensuring that the Grand Final was again a tremendous success. Players and spectators again experienced a first-class venue for both football and netball.

I'd also like to acknowledge our newest Ovens & Murray Life Members, Katie Dean and Des Lonergan, who were presented with their Life Membership during the season. Katie is a qualified Life Member (250 games of 'A' Grade netball), and Des is an Honorary Life Member after 10 years of service on the Board. Congratulations to both.

The Morris and Toni Wilson Medal counts reflected the close competitive season, with 3 joint winners of the Morris Medal and joint winners of the Toni Wilson Medal. Congratulations to Jaxon East, Shaun Driscoll and Lochie O'Brien on taking out the Morris Medal and 4-time winner Sophie Hanrahan and Grace Hay, joint winners of the Toni Wilson Medal. To all our award winner's congratulations and well done.

Finally, our Premierships teams: Senior Football – Wangaratta Rovers, Reserves Football – Lavington, U/18 Football – Lavington and in Netball 'A' Grade - Wodonga Raiders, 'B' Grade – Yarrawonga, 'C' Grade – Wangaratta Rovers, U/17 – Wangaratta Rovers and U/15 – Wodonga Raiders. Congratulations to these teams for their well-deserved success.

Our game would not survive without our business partners, and we are indebted to the past, current and future support of the SS&A Club and thank sincerely Chairman Eddie Dunlop, CEO Gerard Darmody and the Board of the SS&A Club, who recently recommitted to a further 10-year partnership.

Chairman's Report (Cont.)

Thanks to all our partners who have supported the competition this season: SS&A Club Albury, GOTAFE, McRae, KFC, Snap Print Solutions, 7 Albury, Sundancer Homes, 1494 2AY, Opal Packaging, Carlton United Breweries, Adroit Insurance & Risk, Platinum Signs Screens Media, Tobin Brothers Funerals, The Athlete's Foot, Co. agency, Gilson Yonson Real Estate, Footsteps Podiatry, Solar Plus Electrical, The Border Mail, Optus, Club Warehouse, New Balance/Belgravia Apparel, Sherrin, Healthfocus Physiotherapy, Dysons, Premier Data, Microtech DPS, Roadsafe North East, Morris Wines, Outside The Locker Room, BJ Burton's Trophies.

In closing, I hope everyone in the O&M family has a well-deserved break over the off-season and I look forward to the challenges of 2026 and wish all clubs, players, administrators, supporters and partner's best wishes and a safe and happy festive season.

General Managers Report

Despite another jam-packed season with plenty of highlights across the year, it was interesting to note that after 450 fixtures across the home and away season and three weeks of finals, the same two football teams - Wang Rovers and Wangaratta Magpies - bookended the season, playing the first and last games in 2026. Despite bleak weather, history was being written everywhere on grand final day at Lavington, as the Rovers claimed back-to-back football premierships for the first time since 1994, defeating their hometown rival, the Magpies, in the first Wangaratta derby grand final since 1977. The Magpies also wrote their own pages into history this season, coming from fifth to make the grand final. They were the first side to achieve this in 22 years, with a goal-after-the-siren win in the first semi-final, one of many highlights across a rollercoaster month for Magpies supporters. Over on the netball court, third time proved a charm for the Wodonga Raiders, as they toppled perennial powerhouse Yarrawonga to claim an emotion-charged A Grade premiership for the first time in their club's history.

Congratulations to all other premiership-winning teams for 2025, with Lavington having cause for a double celebration with both their Reserves and Thirds football teams claiming the silverware. Yarrawonga proved too good for North Albury in the B Grade, whilst another Wangaratta grand final derby saw the Rovers edge out the Magpies by two goals in a thrilling contest. The 17 & Under grand final also proved to be an exciting match, with the Wang Rovers crowned premiers over Wodonga Raiders, winning by two goals. In the 15 & Under decider, Wodonga Raiders went back-to-back with a 12-goal win over Myrtleford.

A quick rewind to the start of grand final week saw one of the most exciting Morris & Toni Wilson Medal counts in recent memory. Grace Hay (North Albury) and Sophie Hanrahan (Corowa Rutherglen) tied for the Toni Wilson medal in a thrilling count. Grace was a first-time winner of the award, whilst Sophie claimed her fourth medal, joining Emily Browne as the most awarded A Grade B&F players in league history. If the netball best and fairest wasn't exciting enough, the Morris Medal ended in a three-way tie, with Jaxon East (Myrtleford), Shaun Driscoll (Lavington) and Lochie O'Brien (Wang Rovers) sharing the spoils. It was the first three-way tie for senior football's highest individual honour since 1976.

The league welcomed four new sponsors for 2025. Sundancer Homes, Footsteps Podiatry, Solar Plus Electrical and Gilson Yonson Real Estate all jumped on board for the first time to partner with the league, with all three organisations having a local presence and a passion for community football and netball. We also welcomed back Optus, Roadsafe Northeast and The Border Mail as previous league supporters and now once again formal partners of the competition. The league also announced during this year's finals series a groundbreaking 10-year extension of the SS&A Club's naming rights partnership. This will take the SS&A Club's support of the O&M to an incredible twenty-nine consecutive years, providing an incredible base for the league to operate from for the next decade.

Terry's Sock it to Cancer round returned over the long weekend in June, where all clubs wore brightly coloured socks and netball bibs to raise funds and awareness on behalf of the Albury Regional Cancer Centre Trust. Other community awareness pieces throughout the season included the long-standing road safety education sessions offered to clubs by Roadsafe Northeast, and a new commitment from the league to offer all ten clubs over a two-year period to receive a session from O&M's wellbeing partner Outside the Locker Room. These sessions cover a range of important topics, including mental health, leadership, gambling, and drug and alcohol awareness.

The OMFNL Hall of Fame, which this year was supported by new partner Sundancer Homes, saw a packed auditorium welcome six new inductees and the upgrade of a legend. Carl Dickins (Corowa Rutherglen/Wodonga Raiders), Fiona Boyer (North Albury), Jim Matthews (Albury), Des Richardson (Wodonga), Daniel Maher (Albury), and Terry Burgess (Myrtleford/Wodonga/Corowa Rutherglen) all etched their name into league folklore. The elevation of Steve Norman (Wang Rovers) to Legend was a popular addition, also. Huge thanks once again to Hall of Fame Chair Ron Montgomery and his dedicated committee, who continue to make this prestigious gathering one of the great events on the calendar.

July also saw the fourth instalment of the Indigenous round. Host clubs used the opportunity to share stories of their region's history, and celebrated through specially designed jumpers and dresses created by local artists and, in some instances, past and present players of the competition.

To all club and league volunteers, where would any of us be without you! A sincere thanks for all your hard work and dedication to make the league the envy of many. Special thanks to Brad McNeil, who gave up his time EVERY weekend of the season to assist with league operations across the home and away season, Interleague and every week of the finals. General Manager Report (continued)

To Michael Bocquet, thanks for all your hard work once again this year. In your third season as Operations Manager, you continue to grow and evolve in the role that you have made your own. Thanks also to Ash Boyd (O&M bookkeeper) for his continued support, the only accountant I know who would kindly volunteer his time across our entire finals series, without sending an invoice! To Steve Tervet, through our online platforms, you continue to engage new and existing supporters through an enormous ability to find the heartbeat of the competition by letting our participants tell their stories, from their perspective.

To the Netball Subcommittee, led by Tamara Mathews, thank you for all your support throughout this season. All your hard work across the season and in particular managing the finals series is always appreciated. Many thanks also to the O&M Independent Tribunal, chaired by Mark Schlink and supported by Anthony Odewahn in his role as tribunal secretary.

To League Chair David Sinclair and the entire OMFNL Board, your support and guidance are much appreciated. The skillset and dedication from all of you continue to drive the competition to the lofty standards expected by all stakeholders of the competition.

Operations Manager Report

2025 was a statistician's delight, with multiple events throughout the season that had many pundits thinking, "When was the last time that happened?" One stat that had the media talking early was North Albury stamping their authority over Albury on Anzac Day, the first time since 2008 that the Hoppers had beaten the Tigers in that fixture.

The Morris Medal had its second 3-way tie, with the first happening in 1976. Part of the winning trio, Shaun Driscoll, was also joined by Lavington clubmates Harryson Barber and Cooper Hall in winning the Best & Fairest in the Reserves and Thirds, the first time one club has won all awards since the Thirds grade started in 1973.

Heading into the finals, neither Yarrawonga nor Albury would feature for the first time since 2005. Wangaratta would make the Grand Final from the Elimination Final, which was last achieved in 2003 by Corowa Rutherglen. Although they were close, they weren't able to emulate the success of the Roos.

2025 also saw a revamp of the Player Points Systems, where points were assigned based on the previous year's performance. The sliding scale had been successfully used in other major leagues across the state for a number of years, providing the clubs outside of finals contention with greater certainty to plan for the next season. The tribunal system under the National Community Football Handbook saw a further reduction in tribunal sessions, with just 4 sessions across the H&A and finals. Pre-change, the average number of sessions in a season was 12.

Club presidents, Graham Hosier (Corowa Rutherglen), Mark Sanson (Lavington), Tony Burns (North Albury), Ellyn O'Brien (Wangaratta) and Mick Mathey (Wodonga) all stepped down from their roles after each serving for a number of years for their clubs. Stepping into the roles were Beau Long Mire & Rowena Black (C/R), Oscar Ramsden (North Albury) and Danny Cohen (Wodonga). Peter Barwick returned for his second stint as President at Lavington, and Jon Henry assumed the role of President, after serving as co-president with Ellyn in 2024.

Lindsay Rollings (Albury), Luke Chapman & Rob Miotto (Myrtleford), Wally Pasquali & Wendy Lester (Wangaratta Rovers), Zen McCarty (Wodonga Raiders), and Ross Mulquiney (Yarrawonga) all returned to their roles in 2025.

There was a high turnover of coaches from the previous year, with five clubs appointing new leaders. A familiar face to the competition, Daryn Cresswell, took on the challenge of continuing the Corowa Rutherglen rebuild after sitting out 2023. Albury again went with co-coaches, with first-time coaches Max Lynch and playing-coach Ryan Garthwaite. Wangaratta gained the experienced services of Jason Heatley, Chad Owens joined Wodonga Raiders, where he had played in the late 90s, and Yarrawonga was led by playing coach Leigh Williams.

Jack O'Sullivan and Jarrod Twitt continued as co-coaches of Wodonga. While Adam Schneider (Lavington), Craig Millar (Myrtleford), Tim Broomhead (North Albury), and Sam Murray (Wangaratta Rovers) all returned for another year, leading their clubs into the finals.

In the netball, Olivia La Spina (Myrtleford), Emily Browne (North Albury), Gracie Ried (Wangaratta Rovers), Shae Cunningham (Wangaratta) and Jodie House (Wodonga Raiders) all returned for another year. What's old was new again, with Noel Halton joining Wodonga after stints with Corowa and Wang Rovers, and Lauren Mulquiney coached Yarrawonga once again. New coaches included Amy Platt (Albury), Sally Hunter (Corowa Rutherglen), and Sarah Meredith (Lavington).

Thank you to all the club officials and volunteers who put in their time and effort to ensure the players can run out and play football and netball each week. And lastly, thank you to Kane Arendarcikas, David Sinclair and the OMFNL board for all of your guidance and support during the year.

SS&A Ovens & Murray Football Netball League

Netball Report

2025 saw the Ovens & Murray Netball competition grow in strength, competitiveness, and profile. Close competitions across the five grades of netball, combined with league and individual success at elite levels, demonstrated that the netball landscape in the region is bright. Come finals time, the netball competition was represented by nine clubs, with six clubs represented on grand final day. The crowd numbers at netball games continued to grow, as did engagement with the livestreaming product.

Representative Netball started back in February when the Ovens and Murray were invited to play in an exhibition game in Wagga against the Riverina and Farrer Football Netball Leagues. This was a curtain raiser to the Vixens/Giants Suncorp Super Netball preseason game. Not only did the team record a strong win, but it also provided our league with the chance to compete against new opposition and expose the Ovens & Murray brand to a different part of the region. It was deemed a great success, with one of the highlights being the debut of Mia Lavis as a Melbourne Vixen in the main game that followed. We look forward to more opportunities like this in the future.

2025 saw the second year of 15&U at Interleague. Once again, there was enormous interest with almost half the competition trialling for this team. And what a team it was, coming away with a resounding 31 Goal win. Well done to Shaylah House and Emma Sinclair for their coaching efforts, and the team for showcasing the strength of our junior competition.

Interleague also saw the Open team kick off their rep season. Well led by Kellie Keen and assistant Fiona Boyer, the team could not have been in better hands, with a great mix of youth and experience on this side. The girls went down to a phenomenal GV team at Interleague but bounced back strongly at Association Champs to finish as semi-finalists. Congratulations to all the players, and Kellie and Fiona, on a great campaign.

For our 17&U squad, their crusade started back in October 2024 when trials were held. The side went on to have success at local carnivals in Albury and Wodonga in March and April before just being pipped by GV at Interleague. As the saying goes, you don't lose, you learn, and the following day, the team got revenge, winning the qualifying tournament in Shepparton. But it was at Association Champs Finals Day in Melbourne where the side went to another level, where, after 13 games, they went on to win the 17&U competition, demonstrating that we are, in fact, the premier 17&U competition in Victoria. This success has come off the back of several years of development and learning and can be attributed not only to the talented, funny, determined players but also the strong coaching group led by Jodie House, and assisted by Bridget Flint-Chapman, Shaylah House, and Kelly Moylan. Congratulations to everyone involved who made this happen!

In addition to Ovens & Murray netball, the league had some stand-out individual performances throughout the year. We congratulate the following:

- Fiona Boyer, who was named assistant coach of the Victorian 19&U State Team
- Noel Halton, who once again led the Victorian First Nations team, and Jackson Casey, who was selected as the Physio for this team.
- Mia Lavis, who was a training partner in 2025 for the premierships-winning Melbourne Vixens, and who played for the Vixens in the Suncorp reserves competition.
- All the players and coaches who committed to a VNL side this season – travelling to and from Melbourne twice a week is exceptional.
- Sophie Hanrahan (Corowa) and Ex-Wodonga player Jane Cook, who played in the City West Falcons Championship-winning team. This was Sophie's 3rd premierships in a row with the Falcons.
- Eliza Mooney and Mia Lavis, who were members of the Vic 19&U State team, and Molly Moylan and Milly O'Kane, who were members of the Vic 17&U team. Molly was also named co-captain of this team.
- Arhi Cohen, who was vice-captain of the Victorian 15&U team at the School Sports Australia National Netball Championships, where they finished with a silver medal.

We look forward to the final selections for next year's Victorian state teams, with a number of Ovens & Murray players in the final 25-member squads for both 17&U and 19&U teams. Good luck to all those players.

In closing, I would like to thank the players and clubs for your ongoing support of Ovens & Murray Netball. Thank you to the umpires who also give up their time to support our teams. To Steve Tervet, who does a magnificent job of capturing all the action as it happens and showcasing our players and the game, and finally to Kane & Michael at O&M House for the extraordinary amount of work they put in to ensuring our players and coaches get these opportunities.

Interleague Football Report

The SS&A Ovens & Murray Football and Netball League competition again paused mid-season to play interleague Football & Netball against our great rivals, the Goulburn Valley League. It was our turn to host, and this year it was held at Wangaratta Rovers on a perfect Autumn Day.

The day included Senior and U18 football as well as Open, U/17 and U/15 netball. There's no doubt that the standard of Football and Netball is a marked improvement on Club games, and everyone who represented the League is to be commended on their commitment to the task, not only on the day but across the whole campaign. The League was able to record wins in Senior and U/18 Football as well as U/15 Netball, with our Open & U/17 Netball teams going down to stronger GVL outfits.

Our Senior team included 15 debutants and was coached this year by Jake Sharp. While Jake is a passionate Myrtleford person, he was able to bring that enthusiasm across to Interleague and did an outstanding job ensuring the team was a well-connected group. One of the few former O&M representative players in the team, Cody Schutt, was appointed Captain. Fortunately, there were minimal changes to the squad originally selected, with some tough decisions having to be made by final selection.

The O&M again got off to a fast start, which has been a feature of all games in recent years; however, unlike last year, the team was able to maintain this ascendancy to virtually have the game put to bed by halftime. North Albury youngster Josh Murphy won the AFL Vic Medal with six goals, but this could've been shared by at least six players in what was a total team performance. The O&M side was slick and fierce.

Our thanks go to League General Manager Kane Arendarcikas and Operations Manager Michael Bocquet, who did an outstanding job organising the logistics and training as well as coordinating players, officials and support staff. We are indebted to the many volunteers who assisted the League leading up to and across the Interleague weekend.

Many thanks also to Lavington and Wangaratta Rovers, who hosted training throughout the campaign and provided meals for players and officials. Also, a shout-out to the team at Wangaratta Gateway Hotel, who hosted the team on the Friday night before the game. Thank you to our support staff across the day; Simon Plunkett, Fraser McKenzie, Emmie Defazio, Michael Bowler, John Batchelor, Ernie Talarico & Rebecca Kuschert

The Under 18's earned interleague bragging rights prevailing by 13 points in an outstanding game of U/18 football. With six lead changes and the margin failing to wander beyond a goal until late in the game the O&M produced a desperate display as each of the League's rising stars showcased their talent. Coach Ben Talarico and his Assistants did a terrific job preparing and coaching our boys in what was a high-class game with some outstanding young talent on display.

Notes to and forming part of the financial statements

For the year ended 31 October 2025

Note 1. Summary of material accounting policies

(a) Basis of Accounting

Ovens & Murray Football Netball League is not a reporting entity because in the opinion of the Directors there are no users dependent upon general purpose financial statements.

These are special purpose financial statements that have been prepared for the sole purpose of complying with the requirements of the Corporations Act 2001 to prepare and distribute financial statements to the members and must not be used for any other purpose. The Directors have determined that the accounting policies adopted are appropriate to meet the needs of the members. The financial statements have been prepared in accordance with applicable Accounting Standards and Australian Accounting Interpretations with the exception of the disclosure requirements of the following:

AASB 7 - Financial Instruments: Disclosures

AASB 9 – Financial Instruments

AASB 13 - Fair Value Measurement

AASB 119 – Employee Benefits

AASB 124 - Related Party Disclosures

AASB 132 - Financial Instruments: Presentation

Interpretation 1031 - Accounting for the Goods and Services Tax (GST)

Under Australian Accounting Standards, there are requirements that apply specifically to not-for-profit entities that are not consistent with International Reporting Standards requirements. The company has analysed its purpose, objectives and operating philosophy and determined that it does not have profit generation as a prime objective. Consequently, where appropriate the Company has elected to apply options and exemptions within the Accounting Standards which are applicable to not-for-profit entities.

The financial statements are prepared in accordance with the historical cost convention. Unless otherwise stated, the accounting policies adopted are consistent with those of the previous year. Comparative information has been reclassified where appropriate to enhance comparability.

(b) Revenue and Income

Revenue from the sale of goods and other fees and charges is recognised at a point in time when the related services or goods have been provided.

(ii) Grants, sponsorships and other subsidies

Grants, sponsorships and other subsidies received with no enforceable or sufficiently specific performance obligations attached are recognised as income at the earlier of receipt or when entitlement to these funds has been established.

Where grants, sponsorships and other subsidies received have enforceable and sufficiently specific performance obligations attached, revenue is recognised over-time as the related performance obligations are fulfilled. Where any funding has been received in advance of the related performance obligations being met this funding is deferred on the balance sheet as a contract liability.

(iii) Interest

Interest is recognised on an accrual basis taking into account the interest rates applicable to the financial assets.

All revenue is stated net of the amount of goods and services tax (GST).

Note 1. Summary of material accounting policies (continued)

(c) Income tax

The Company has received advice from the Australian Taxation Office that it is exempt from income tax and will remain so whilst its activities remain the same as at present and the income tax legislation does not change in relation to the exemption provisions.

(d) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Property

Freehold land and buildings are carried at their fair value (being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction), based on periodic evaluations by external independent valuers every three (3) to five (5) years, less accumulated depreciation for buildings.

In the periods when the freehold land and buildings are not subject to an independent valuation, the directors conduct directors' valuations to ensure the land and buildings' carrying amount is not materially different to the fair value.

Increases in the carrying amount arising on revaluation of land and buildings are credited to a revaluation surplus in shareholders' equity. Decreases that offset previous increases of the same asset are recognised against fair value reserves directly in equity; all other decreases are recognised in profit or loss.

Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

Plant and equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment. In the event the carrying amount of plant and equipment is greater than the estimated recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount. A formal assessment of recoverable amount is made when impairment indicators are present.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the statement of comprehensive income during the financial period in which they are incurred.

Depreciation

The depreciable amount of all fixed assets including buildings, but excluding freehold land, is depreciated on either a straight-line or diminishing value basis over the asset's useful life to the company commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	DepreciationRate
Buildings & Improvements	2.5% - 10% PV
Plant & Equipment	15% - 50% DV

(e) Employee benefits

(i) Annual Leave

A liability for annual leave is recognised in respect of employees' services up to the reporting date and is measured at the amount expected to be paid when the liability is settled, including on-costs. All annual leave balances are classified as a current liability.

(ii) Long Service Leave

Long service leave entitlements payable is assessed at balance date having regard to expected employee remuneration rates on settlement, employment related on-costs and other factors including accumulated years of employment. Only employees with 5 years or more of service are included. All long service leave which the company does not have an unconditional right to defer settlement of the liability for at least twelve months after reporting date is disclosed as a current liability and is measured at nominal value based on the amount expected to be paid when settled. Long service leave expected to be paid later than one year has also been based on the amount expected to be paid when settled.

(f) Resources Received Free of Charge

Resource received free of charge or for nominal consideration are recognised at their fair value when the transferee obtains control over them irrespective of whether restriction or conditions are imposed over the use of contributions. Contributions in the form of services are only recognised when a fair value can be reliably determined, and the services would have been purchased if not sponsored.

(g) New accounting standards and interpretations

The AASB has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods. The Company has decided not to early adopt these standards on the basis that they do are unlikely to have a material impact on the Company.

Independent auditor's report to the members of Ovens & Murray Football Netball League Ltd

Opinion

We have audited the financial statements, being special purpose financial statements, of Ovens & Murray Football Netball League Ltd (the Company), which comprise the statement of financial position at 31 October 2025, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, a summary of accounting policies, other explanatory notes and the Directors' declaration.

In our opinion the financial statements of the Company is in accordance with the Corporations Act 2001, including:

- a) giving a true and fair view of the Company's financial position as at 31 October 2025 and of its performance for the year ended on that date in accordance with the accounting policies described in Note 1; and
- b) complying with Australian Accounting Standards to the extent described in note 1 and complying with the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the registered entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial statements in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial statements which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Directors' financial reporting responsibilities under the Corporations Act 2001. As a result, the financial statements may not be suitable for another purpose.

Directors' Responsibility for the Financial Statements

The directors of the Company are responsible for the preparation of the financial statements that gives a true and fair view in accordance with Australian Accounting Standards to the extent described in note 1 and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing Ovens & Murray Football Netball League Ltd's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the registered entity or to cease operations, or has no realistic alternative but to do so

Independent auditor's report to the members (continued)

Auditor's Responsibility for the Audit of the Financial Statements

Our objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A further description of our responsibilities for the audit of the financial statements is located at the Auditing and Assurance Standards Board website at:
<http://www.auasb.gov.au/Home.aspx>. This description forms part of our auditor's report.
